

# What's Happening At Wantagh Public Library

## From the Director's Desk:

Some new and exciting things are coming to the Wantagh library in the next several months. First, we will soon begin electronic distribution of the monthly newsletter. You will see an increase in the number of pages that will tell you more about what's going on at the library, plus these library events and news will reach you much faster to help you decide your schedule. Perhaps we can save some trees with this new process? We will maintain a limited number of copies around the library, however, in case you need a quick reference or we will mail one to you at your request. We asked... and you answered!

New events are scheduled for the fall, such as the Great Give Back event for all age groups, part of an Island-wide community program on Saturday, October 13. The event involves cleaning up the Twin Lakes Preserve. Please have your kids join, as community service will be given to school participants.

We will also feature a film series on Fridays this fall saluting the 75th birthday of director Martin Scorsese, showing two of his more memorable works: "Taxi Driver" and "Goodfellas." There will be a lively film discussion after each movie to see just how well these cinematographic works of art have aged.

We also plan a new exercise program for adults. Plus the children's programs and Young Adult events are always available for the Wantagh community.

The Wantagh Library will be an exciting place to be during the Fall season so come in, check us out and see what else we're thinking up, just for you!

**Thank you** to Pipeline Coffee Co. and Iavarone Brothers for their generous raffle donations for our Adult Summer Reading Club.
